The minutes of the meeting of the committee that took place on 14th March 2024 were **agreed** by Councillors and signed by the Chair.

24/PC.23: Public session
No members of the public were present.

24/PC.24: To consider and agree representations in relation to the following new planning applications

- 24/PC.24.1 18/01056/S73/4 - Land north, south and east of Channels Drive - Variation of condition 1 (approved plans) of 18/01056/S73/1 (Description: Variation of condition 1 (approved plans) of the previously granted permission 18/01056/REM - (Application for the approval of reserved matters (access, appearance, layout, landscaping, and scale) in relation to the outline application permission 10/01976/OUT at Channels Phase 6 for the development of 128 dwellings together with associated access, car parking, landscaping and related works). Amendments and reconfiguration to sizes and layout of residential land parcels A - G. Alterations to designs of house types A1 and A2. - 24/PC.24.2 24/00474/FUL - 66 Edward Harvey Link – First floor side extension above parking area – **No Comments**
- 24/PC.24.3 24/00257/FUL - 5 Cattle Crescent - Proposed two storey rear extension and loft conversion. New car port with roof terrace and alterations to fenestration – It was noted that the extension would make the entire property around two thirds larger than it currently is and that objections have been raised by neighbours

as to the scale of the proposals and adverse impact that it would have. It was also noted that work would be required to trees. It was therefore **agreed to object** on the basis that the proposals are an overdevelopment of the plot and would have an adverse impact upon neighbours as well. Also to object to the tree work proposals on the basis of preserving biodiversity.

24/PC.24.4 24/00352/FUL - 1 Joseph Clibbon Drive - Proposed soft landscaping and proposed parking space with hard standing and fence – **No Comments.**

24/PC.24.5 24/00583/FUL - 6 John Eve Avenue - Proposed Garage Conversion and Relocated Front Car Parking Space – It was noted that the proposals would reduce parking provision at the property and it is proposed to create a space in the front garden. It was **agreed to object** to the proposals on the basis that parking provision will be reduced and the adverse impact. Also putting a parking space in the front garden would have an adverse visual impact and it is not desirable to create more hardstanding generally, especially due to the impact upon drainage.

24/PC.24.6 23/00124/OUT and 23/00124/FUL - Zone 3 Chelmsford Garden Community – additional planning documentation in support of application for hybrid planning permission – amended paperwork – It was noted that some screening is being provided for Domsey Lane and there is a reduction in the height of housing in that vicinity. **Agreed no further comments.**

24/PC.24.7 23/00124/FUL – Zone 3 Chelmsford Garden Community – hybrid application at Powers Farm outline application with all matters reserved except access to Radial Distributor Road – **Agreed no further comments**

24/PC.24.8 23/00114/FUL - Radial Distributor Road 2 south of Wheelers Hill amended application – **Agreed** to comment that there should be planning conditions to make sure that there is a speed survey of the road within the first six months of it opening and that if this demonstrates vehicles regularly exceeding the speed limit that speed cameras should be installed.
